## Past continuous with when and while — إستخدام "while" و "when" مع الماضي المستمر

نستخدم "while" لتقديم فعل أو حالة كانت مستمرة عندما حدث شيء آخر ويأتي بعد "while" الفعل الذى كان مستمرًا.

★ **While** we **were walking**, it **started** to rain.
★ Customers always **stopped** to have a conversation **while** they **were shopping**.

Desert has only one 's' so it is a piece of land, not a kind of food!

My name is Amr. I was in Grade 7 last year and I really enjoyed it. From my experiences I have some suggestions to help you learn. When you read a text, it is useful to underline new words or highlight **them**. I find it easy to remember the meaning of the words, but I sometimes find it difficult to remember how to spell them. I read online that you can remind yourself of tricky spelling words by linking them to other words. For example, I always forget the difference between desert and dessert. I tell myself that dessert has two 's' letters, so it reminds of sweet strawberry desserts! Sweet strawberry begins with two 's' letters like the word dessert, which is a sweet food we eat. Desert has only one 's' so it is a piece of land, not a kind of food!
